### TUTORIAL GRÁFICO SOBRE LA INSTALACIÓN DE LA PDI PORTÁTIL

#### PASO 1: CONECTA EL BLUETOOTH USB A LA CPU

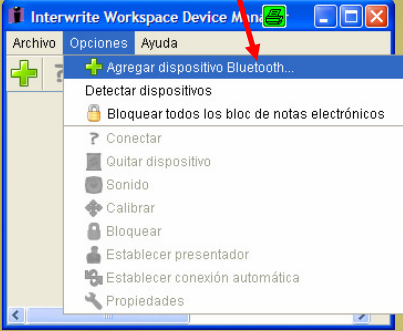

#### PASO 2

The screenshot shows the Windows Start menu open. A red arrow points from the text 'PASO 2' to the 'Administrador de dispositivos...' option in the menu. The menu also includes options like 'Modo interactivo...', 'Modo pizarra...', 'Modo Office...', 'Teclado virtual...', 'Grabar y reproducir...', 'Seleccionar idioma', 'Buscar actualizaciones...', 'Restablecer', and 'Salir'. The taskbar at the bottom shows the 'Inicio' button and several application icons.

Ciencia e Investigación

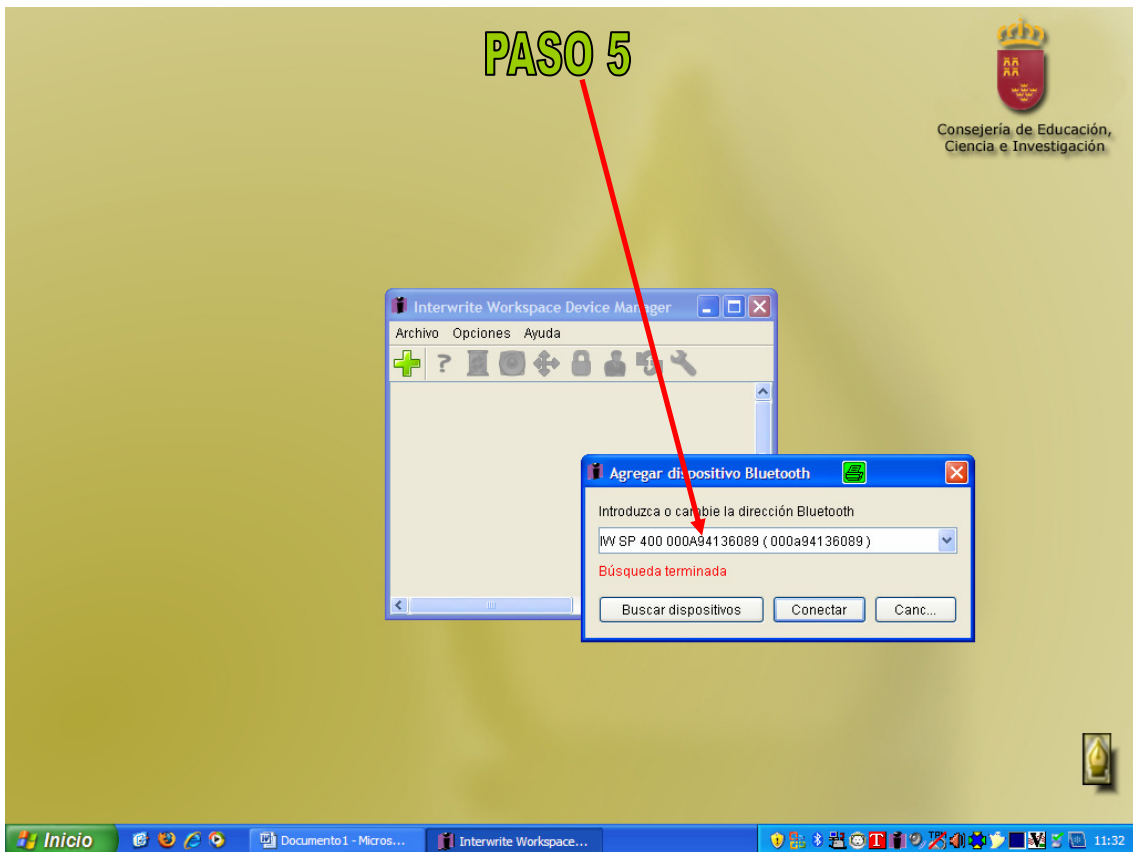

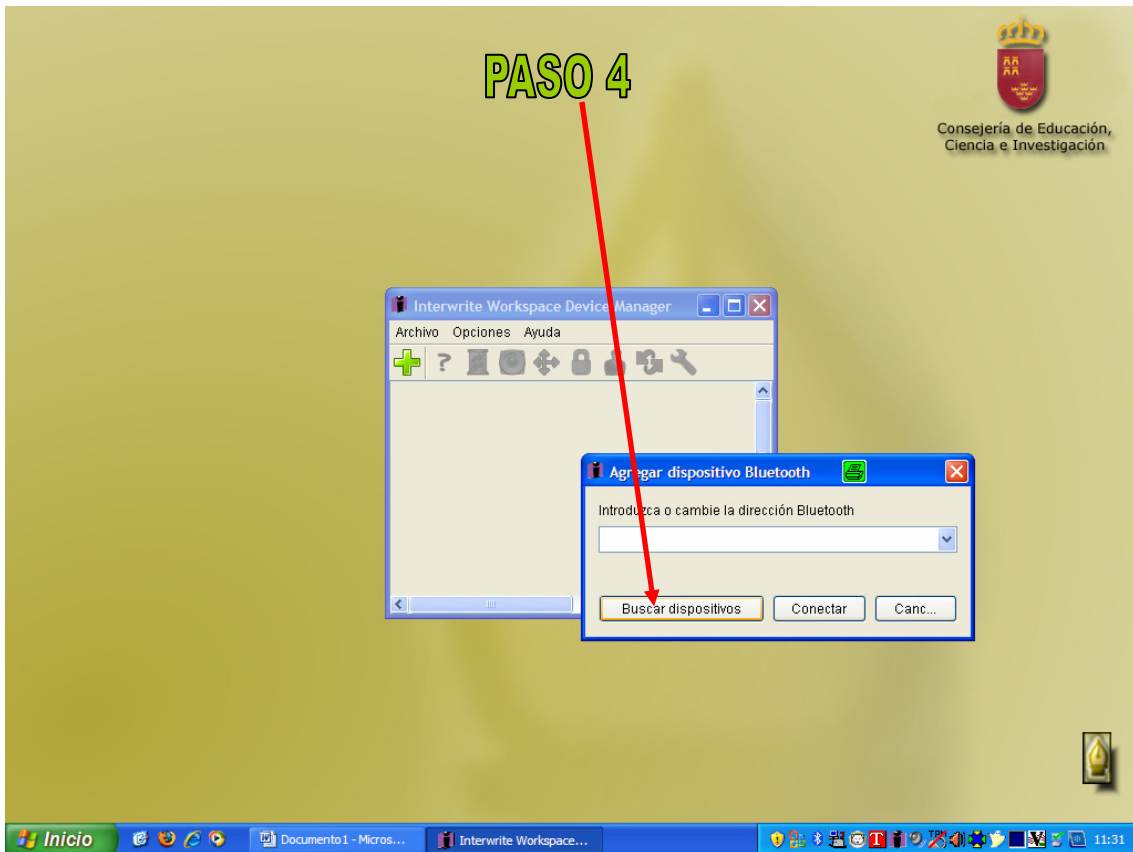

#### PASO 3

The screenshot shows the 'Interwrite Workspace Device Manager' application window. A red arrow points from the text 'PASO 3' to the '+ Agregar dispositivo Bluetooth...' option in the application's menu. The menu also includes options like 'Detectar dispositivos', 'Bloquear todos los bloc de notas electrónicos', 'Conectar', 'Quitar dispositivo', 'Sonido', 'Calibrar', 'Bloquear', 'Establecer presentador', 'Establecer conexión automática', and 'Propiedades'. The taskbar at the bottom shows the 'Inicio' button and several application icons, including 'Documento1 - Micros...' and 'Interwrite Workspace...'.

**PASO 8**

**¡YA PODEMOS TRABAJAR CON LA PDI PORTÁTIL!**

Juanjo Reverte

The image shows a digital whiteboard interface with a blue border. At the top center, the text "PASO 8" is written in green. A red arrow points downwards from this text to a green rounded rectangular box containing the text "¡YA PODEMOS TRABAJAR CON LA PDI PORTÁTIL!" in blue. Below this box, the name "Juanjo Reverte" is written in red. The interface includes a toolbar at the bottom with various icons for drawing and editing, and a status bar on the right showing "6/6". There are also small blue icons with double arrows in the corners of the whiteboard area.
