

Pronunciation Workshop

By Adrian Underhill

WHY ENGLISH SPEAKERS EAT THEIR WORDS AND WHAT TO DO ABOUT IT

MARCH 5, 2020
7 PM - 8 PM
SALÓN DE ACTOS

Three activities designed to give learners and teachers immediate insight into how to master English connected speech. They focus less on the pronunciation of individual sounds, and more on the energy profile of spoken English, through a focus on: 1) stress and especially unstress, 2) connecting words into a flow, 3) rapid intelligible speaking – and listening. These playful and instructive activities develop pupils' self-confidence too.
